Oi!

Performed restrictions of what you think and say
Think of opposition, they'll make you pay
Infidels are rising, raise your fist to be free
The system is corrupted, the system is not for me!
Kill the poor and support the rich
They way they work just make me sick
If you got money, you are free of pain
Cause the judicial system is a fucking shame!
Do you believe? in our justice system?
Our rights are ripped from you and me
Do you believe? in our justice system?
Cause if you do, you'll never be free!

Oi oi!

Kill the poor and support the rich
They way they work just make me sick
If you got money, you are free of pain
Cause the judicial system is a fucking shame
Arrested on the street for a crime I didn't do
Spend the night in jail, don't take me as a fool
You didn't like my reasons, you didn't like my ways
C'mon take me to court, to take my rights away!
Do you believe? in our justice system?
Our rights are ripped from you and me
Do you believe? in our justice system?
Cause if you do, you'll never be free!
