No turning back
The drugs are running thru my veins!
No turning back
It's fucking hard to stay the same!
No turning back
This is the life that we choose!
No turning back
Looks like the end of the road!

We run the streets and control thru fear
No people mess with us
No more they'll hear
They know better not to mess with us
Cause we'll rob them of what they have!

No turning back
The drugs are running thru my veins!
No turning back
It's fucking hard to stay the same!
No turning back
This is the life that we choose!
No turning back
Looks like the end of the road!

People I run with say it's this way
But I'm gonna fucking do it my way!
Drugs get a hold you, can't get away
To start over and see a new day!

No turning back
The drugs are running thru my veins!
No turning back
It's fucking hard to stay the same!
No turning back
This is the life that we choose!
No turning back
Looks like the end of the road!

Running with a crowd, that's headed nowhere
When I do it, I see no fear
Drugs clouded up in my fucking head
If I don't stop, I'll end up dead!

No turning back
The drugs are running thru my veins!
No turning back
It's fucking hard to stay the same!
No turning back
This is the life that we choose!
No turning back
Looks like the end of the road!
