Look at all you people don't give a fucking damn.
All you politicians don't give a shit about your land.
Money is in your head and money is on your mind.
You don't give a fuck about the rest of mankind.
Take a look around the world
Wooah
Problems seems to grow and grow
Take a look around the world
Wooah
People gotta change their ways.
The future is looking gray and it's time to fucking fight.
The leaders of today care about money on their hands.
Destruction, Hate and Greed it's all we fucking see.
But the leaders of today will never listen to us.
Take a look around the world
Wooah
Problems seems to grow and grow
Take a look around the world
Wooah
People gotta change their ways.

No More! Killing Destruction and Hate
Tomorrow! will be a better fucking place
No More! Killing Destruction and Hate
Tomorrow! will be a better fucking place
No More! Killing Destruction and Hate
Tomorrow! will be a better fucking place
No More! Killing Destruction and Hate
Tomorrow! will be a better fucking place

Problems seems to grow and get worse and worse
The rich will never see what we fucking know
They are locked up in a dream of opulence and greed.
They don't give a fuck, if we got nothing to fucking eat!

Take a look around the world
Wooah
Problems seems to grow and grow
Take a look around the world
Wooah
People gotta change their ways.
