The crew is out tonight
Ready for anything coming our way
Ready to start a fight
We don't give a fuck, what you fucking say
We got each other's backs, you mess with one, you
mess with us all
If we see you talking crap, we'll smash you face on the
fucking wall.

The pack's together! we are ready for you
Strong as ever! whatcha gonna do?
The pack's together! shit-talking bitch!
Strong as ever! we'll watch you scream!

The crew is out tonight
Ready for anything coming our way
Ready to start a fight
We don't give a fuck, what you fucking say
We got each other's backs, you mess with one, you
mess with us all
If we see you talking crap, we'll smash you face on the
fucking wall.

The pack's together! we are ready for you
Strong as ever! whatcha gonna do?
The pack's together! you piece of shit!
Strong as ever! we'll watch you scream!

The crew is out tonight
Ready for anything coming our way
Ready to start a fight
We don't give a fuck, what you fucking say
We got each other's backs, you mess with one, you
mess with us all
If we see you talking crap, we'll smash you face on the
fucking wall.

The pack's together! we are ready for you
Strong as ever! got nothing to prove!
The pack's together! poser scumfuck!
Strong as ever! we'll watch you die!
