Cry out

Cry out we are young  
So high and hooked on trouble gum  
Stand tall, have no fear  
Take back the power ringing in my ears

Cry, cry out loud  
Cry, we stand our ground  
To shine, shine like gold  
Don't break before you lose control  
Oh, yeah

Strange smells fill the air  
It's Friday at the Mariner  
The girl I love calls my name  
She's all alone in the pouring rain

She says  
Lie down on the grass  
Light up your smokes  
Clouds are rolling past

And cry, cry out loud  
Cry, we stand our ground  
To shine, shine like gold  
Don't break before you lose control, oh

Show me the future man so I can prepare  
The wheels are in motion to I don't know where  
The people who are shifting they would hold me here  
And I, I'm not afraid, no  
And who are they for tellin' my direction?

Tell me who?  
Ooh, ooh, yeah

Cry out I am free  
Nobodies gonna stifle me  
Got no sleep last night, I'm not done yet  
Be strong, don't ever listen to the doubts in your head

And cry, cry out loud  
Cry, we stand our ground  
To shine, shine like gold  
Don't break before you lose control

So be strong, shine like gold  
Don't break before you lose control  
So be strong, shine like gold, oh  
Don't break before you lose it, yeah, yeah

Aaahh, shine like gold  
Be strong, be strong, you gotta hold on  
Shine like gold, shine like gold  
Don't break before you, before you, before you  
Lose control
