Memphis water, washing all your feels away,
Memphis water, you're a hero, so they say, yes

[Chorus]

But can't stand to be yourself,
You don't wanna be no one els,
In case you falter.

I'm on the outside, on the outside looking in,
Oo i just ready myself for the road,
I gotta tell ya, im looking pretty digging.

[Chorus]

But im trying to be myself,
I don't wanna be no one els,
in case i falter, you know how it feels,
you tould me to follow my fortune,
but you brought me to my knees, hey

[Solo]

To no sorrow, sorrow can be replaced,
I plan me, so you left without a trace,
uhhuh, you left without a trace.

Memphis water, can't you see what you have done,
You gave us your, sweet sweet cheer,
Gave us cheer, when we had none, oh know.

But we'll stand to be ourselves,
We don't wanna be no one els,
in case we falter, in case we falter,
yeah...
