[Verse 1]

Iâ€™ve had a little time to reason  
Iâ€™ve had a little time to grow  
Thereâ€™s people in the world Iâ€™m pleasinâ€™  
Thereâ€™s people in the world who donâ€™t wanna know

[Chorus]

But the futureâ€™s gonna be much better  
I can tell you that Iâ€™ve paid my dues  
Now you tell me where, where did you get your blues

[Verse 2]

Wonâ€™t you talk to me about your problems  
Tell me all about your ways  
Sometimes I feel like a helpless child  
Wonâ€™t you help me through these rock bottom days

[Chorus]

But the futureâ€™s gonna be much better  
I can tell you that Iâ€™ve paid my dues  
Now you tell me where, where did you get your blues  
When youâ€™re on the street you ainâ€™t nobodyâ€™s fool  
â€” no you ainâ€™t

[Verse 3]

Iâ€™m looking for a good example  
Iâ€™m looking for a piece of the game  
I didnâ€™t know that I was a gambling man  
When youâ€™re on the ground it all looks the same

[Chorus]

But the futureâ€™s gonna be much better  
I can tell you that Iâ€™ve paid my dues  
Now you tell me where, where did you get your blues  
When youâ€™re on the street you ainâ€™t nobodyâ€™s fool  
â€” no you ainâ€™t

(M8)

Donâ€™t decide that youâ€™ve lost everything [x3]  
Donâ€™t you decide that you have lost everything  
Wonâ€™t you help me  
Please help me now

Help me help myself, I can't help myself [x4]

[Chorus]

But the future's gonna be much better

I can tell you that I've paid my dues

Now you tell me where, where did you get your blues

When you're on the street you ain't nobody's fool

A- no you ain't
