Sweet Emotion

You talk about things that nobody cares
You're wearing out things that nobody wears
You're calling my name but I gotta make clear
I can't say baby where I'll be in a year

Yeah yeah yeah yeah

When Some Sweat Hog mama with a face like a gent
Said my get up and go musta got up and went
Well I got good news, she's a real good liar
'Cause the backstage boogie set your pants on fire

Yeah yeah yeah yeah yeah yeah yeah yeah yeah
yeah yeah

When I pulled into town in a police car
Your daddy said I took it just a little too far
You're telling me things but your girlfriend lied
You can't catch me 'cause the rabbit done died
Yes it did

You stand in the front just a shakin' your ass
I'll take you backstage, you can drink from my glass
Your telling me things I can sure understand
'Cause a month on the road an' I'll be eating from your
hand
