Whenever you go I say
Whenever I go you say
Wait... Wait
One more kiss
Then we go, you know, my eyes they close

Love has a way of
Making you do the strangest things
And say and do
Odd things, odd things
Where you count petals and believe
And love, you wait, I love, you wait

We're love strange, strange, strange oh strange!

Whenever you go I say
Whenever I go you say
Wait... Wait
One more kiss
Then we go, you know, my eyes they close

Love far, love far
You're so far away
And my heart and my mind
Their split, their split
You wait, I wait!

Odd things, odd things, odd things, odd things
We're love, we're strange
We're love strange, strange, strange oh strange

Well you feel like dust and a bloody grenade
Look at the sun, look at the sun
Feel your heart beating
Look at the sky
Hear my words
Hear my cry!

We're love strange, oh love!
We're love strange, strange, strange oh strange

Whenever you go

Whenever I go
One more kiss then we go you know, my eyes...
Whenever you go
Whenever I go
One more kiss then we go you know, my eyes they
close
