I feel my mind
Slowly slipping
I just don't understand myself

Welcome to the psychiatric ward

Well your mamma knows your name
And your daddy knows your nam
But you've lost it to yourself blinded by your wealth of
anger

Cause you've gone!
Psycho

Well who's there to keep you down
Buy yourself cause no one is around
You're crazy cause you try to prove to the world
You're no loser

Cause you've gone!
Psycho

In your eyes you see no color
And your world is upside down
You're a rabbit in your own hole and you're going
Down, down, down

Well your skin is turning pale
And your days have grown stale
You stare at the ground
Speak with no sound
And laugh when no one is around

Cause you've gone!
Psycho

Well the doctors try to help you
But your madness has gone to far
You yearn for destruction
Wait for the rush and you're gone, gone, gone, gone,
gone

Cause you've gone!
Psycho

In your eyes you see no color
And your world is upside down
You're a rabbit in your own hole and you're going
Down, down, down

You've gone

Ps, s, s, s sy!
Sy, sy, sy, sy cho!

Psycho!
