Chilling in the jungle
We chill in the jungle
Drinking in the jungle
We drink in the jungle
I love bamboo, you love bamboo
Hey what's that I see
Watch out Panda!

Hey what ya doing today?
I counted all my fingers and all my toes
Shit that's a gun I see it
So lets go, go, go again!

Running through the jungle is fun
It's sucks when you're hunted
And it sucks when you're done
But there's bamboo, bamboo traps all over
So lets go, go, go again!

What we gonna do, what we gonna do!
I need bamboo, I need bamboo
And I'm not going to a zoo
Watch out, Panda!

Hey what you doing today
We moved to the beach so we can play
The bamboos kinda brown over here
So lets go, go, go again

Hey there's a party at my friends house
He's got bamboo, he's got flowers and we can play with
chalk
But watch out we can't be too loud
So lets go, go, go again!

What we gonna do, what we gonna do!
I need bamboo, I need bamboo
And I'm not going to a zoo
Watch out, Panda!
