The atom's broken  
and the strings are comin' loose  
Foundation isn't holdin' up the house  
So whats the use?  
The dogs are barking  
And cats don't land on their feet  
Flash Floods don't Retreat

Ohh-Oh-Oh

Traffic Lights take to much longer to change  
Well then  
Speed up  
Switch quick  
And stop again

Construction stops  
the sidewalks don't wad up today  
The birds fall into the nest  
and then  
soon  
soon  
soon

Ohh-Oh-Oh
