Got you on my conscience where you wanna be  
There in spite of all you've done to me  
Got you on my bad side and you're leading me  
So misleading, you're so contagious now

Baby, maybe these simple words will never reach your  
ears  
You'll never have the time to hear my plea

I just wrote you this letter  
I just wrote you this note  
With a chance for a change and a splinter of hope  
But you'll fake this indifference  
You'll fake apathy  
So I'll turn a deaf ear  
Turn away from my plea

I just wrote you this letter  
I just this note  
With a chance for a change and a splinter of hope  
But you'll turn a deaf ear  
And turn away from my plea  
So il fake this indifference  
Fake apathy

So baby, maybe these simple words will never reach  
your ears
