

The Apathy Eulogy

"Come Forth"

Questioning everything that we say
Back and forth with the life we've made
Don't listen when the other side speaks
Leave me be...

Left as though I can see through the
Mind-sided, it shivers with joy
I have overcome you
I have overcome...you

Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving...

What a beautiful sight unseen
Never felt the welcomed surprises
Breathe new air and pull away
Far from you...

If you even apologize
It's pointless if you ask me
I am one with myself
I am one with...myself

Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving...

Thanks for nothing

I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving now
Thanks for nothing
I have waited
Comfort is arriving...

Thanks for nothing
I have waited
Comfort is arriving now...
