Haven't read the book, I've seen the movie
Now does that mean that I'm a jerk?
I hate to get up in the morning
And I don't like to go to work
But I've been around now, for quite some time
And I'm still doing what I like
So if you want to hate my guts
Just go ahead, it's alright

It's ok to hate me [3x] now

Hey, I was there, I've got the t-shirt
I've got some stickers on my van
A big screen tv motherfucker
And an awesome punk rock band
And I just don't care what goes on in the world
And I just don't care about you
You've had your chance but you fucked it up
I'm telling you, we're through

Don't care what others think of me
Just wait till I take down your tree
I leave you crying in the mud
So it's ok to hate my guts

It's ok to hate me [3x] now
