Who are these people?  
As we sit and watch  
The dots go by  
I'd be much happier  
Complain the dots  
Surround my mind  
It'd be much easier  
Being single for  
The rest of my life

That very last night  
I'm the carefulest  
Still holding my weight  
I'm not betting you ridicule  
That's what it's all about

What happens now when?  
Your uncertain friend wakes up  
You'll need attention  
Until the popular word gets out  
You'll need admission  
Until your stubborn world dry's out

That very last night  
I'm the carefulest  
Still holding my weight  
I'm not betting you ridicule  
That's what it's all about

That very last night  
I'm the carefulest  
Still holding my weight  
I'm not betting you ridicule  
That's what it's all about

(come soon and take...)  
(undercover runs down the street...)  
(pent up, pay the fee...)

I'd be much happier  
Complain the dots

Surround my mind  
It'd be much easier  
Being single for  
The rest of my life

That very last night  
I'm the carefulest  
Still holding my weight  
I'm not betting you ridicule  
That's what it's all about

That very last night  
I'm the carefulest  
Still holding my weight  
I'm not betting you ridicule  
That's what it's all about

I'm not betting you a ridicule  
I'm not betting you a ridicule  
I'm not betting you a ridicule  
That's what it's all about
