Prepare to suffer in a turbulent sea  
You saw the spirit and  
You're an ugly attack on wheels

Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules

Beginning to starve myself  
A minor example to illustrate  
You sought to escape  
The autumns changed  
Order of the day

Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules

Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules

Nationalism is rising  
Developing aspirations

Prepare to suffer in a turbulent sea  
You saw the spirit and  
You're an ugly attack on wheels

Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules

Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules

Organic, dynamic, exuberant  
Organic, dynamic, exuberant
