I've got a girl
Named Bony Moronie
She's as skinny as
A stick of macaroni

Oh, to see her walk by
With her blue jeans on
She's not very fat
Just skin and bones
Skin, skin, skin and bones

I love her, she loves me
Oh, how happy we can be
Making love beneath
The apple tree

Told her mama
Told her papa too
Just exactly what
I'm gonna do

We're gonna get married
On a night in June
And dance by the light
Of the silvery moon
Light of the silvery moon

I love her, she loves me
Oh, how happy we can be
Making love beneath
The apple tree

My one and only
She's my hearts desire
She's a real upsetter
She's a real live wire

Everybody turns when
My baby walks by
She's so good to see
She really catches the eye
She really catches the eye

I love her, she loves me
Oh, how happy we can be
Making love beneath
The apple tree

I've got a girl
Named Bony Moronie
I've got a girl
Named Bony Moronie...
