No more hooking up.
You wanna settle down.
Though I'm a square, you don't care, you still want me
to be around.
No more feeling bad,
Cause that's all in the past.
This thing I feel is real, got my heart beating so fast.

I'm no sure thing!
I wouldn't count on me.
But I promise I can be everything you need.

I sleep the days away,
Just laying in your bed.
And while you work I wish you were home with me
instead.
No more hooking up.
You wanna settle down.
Though I'm a square, you don't care, you still want me
to be around.

I'm no sure thing!
I wouldn't count on me.
But I promise I can be everything you need.

You felt disconnected.
I felt so rejected.
I'm glad we repaired it.
It's way better.
You felt disconnected.
I felt so rejected.
I'm glad we repaired it!
It's way better.

I'm no sure thing!
I wouldn't count on me.
But I promise I can be everything you need.

I'm no sure thing!
I wouldn't count on me.
But I promise I can be everything you need
