Got to say hello, it's a lucky day

Kiss the moon goodbye and be on our way

It's a lucky day 'cause I found you

Gonna build a new world around you

Touch the sun and run, it's a lucky day

Hello life, goodbye Columbus

I've got a feelin' that you're gonna hear from us

You're gonna know that we've taken the world by
surprise

Got that look in our eyes

Its a lucky day, just for changin'

Leavin' the old world behind

Lucky day for walkin' a new road

Just to clear your mind

It's a day for startin' a new way

Tellin' the old one goodbye

Lucky day for gettin' above it

Spread your wings and fly

[repeat chorus]

It's a lucky day (goodbye Columbus...)

[repeat chorus]

It's a lucky day, yeah

Goodbye, goodbye Columbus

Coda [repeat to fade]:

Goodbye, goodbye Columbus

Goodbye, goodbye Columbus
