I woke up from this dream to find that I was sleeping So  
I went back to sleep and I dreamed I was awake. I  
locked myself inside but you were on the outside I  
stood outside and watched but I couldn't let you in.  
Maybe you could see inside yourself. Wrote a letter to  
myself, but I couldn't bare to send it. So I tore it up and  
wrote a letter to a friend. If only you could know that  
growing up means letting go Maybe then you'd grow up  
by yourself. I'm growing up again... I'm learning to  
accept that all good things must come to an end. I'm  
growing up again... I'm trying to understand what it's  
like To let go of a friend.
