here in this diary  
i write you visions of my summer  
it was the best i ever had  
there were chorus's and sing alongs  
and that is spoken feeling  
and knowing that right now is all that matters  
all the nights we stayed up talking listening to 80's  
songs  
and quoting lots from all those movies that we love  
it still brings a smile to my face

i guess when it comes down to it  
being grown up isnt half as fun as growing up  
these are the best days of our lives  
the only thing that matters is just following your heart  
and eventually you'll finally get it right

breaking into hotels swimming pools  
and reaking havok on our world  
hanging out at truck stops just to pass the time  
the black tops singing made to sweet

lighting fireworks in parking lots  
it'd luminate the blackest nights  
cherry cokes under this moonlit summer sky  
2015 river side its time to say goodbye

get on the bus  
its time to go  
being grown up isnt half as fun as growing up  
these are the best days of our lives  
the only thing that matters is just following your heart  
and eventually you'll finally get it right

get it right..

get it right..

being grown up isnt half as fun as growing up  
these are the best days of our lifes  
the only thing that matter is just following your heart  
and eventually you'll finally get it right

being grown up isnt half as fun as growing up  
these our the best days of our lifes  
the only thing that matter is just following your heart  
and eventually you'll finally get it right
