only two more days
until your birthday
yesterday was mine
youll be turning five
i know what its like
growing up without
your father in your life.

so i pretend
im doing all i can
and hope someday youll find it in your heart
to understand
why im not around
and forgive me for not being in your life.

i remember waiting for you to go.
i remember waiting for you to call.
i remember waiting there to find nothing at all.
i remember waiting for you to come.
remember waiting for you to call.
waiting there to find nothing at all.

maybe someday
youll really get to know me
not just from letters wrote to you
i pray i get the chance
to make it up to you
weve got alot of catching up to do.

forgive me.
im so sorry.
i will make it up to you.
