Hello dear friend...
Where have you been?
It's been so long.
Where do I begin?

Let's sit and talk for a while...
I need to share what I feel inside.

I don't know what to say when.
You do the things you do.
You play a deadly game and,
I don't want to play with you...
I don't know what to say when.
You do the things you do
On a one way dead end road
And I ain't going there with you!

You've gone too far
You can't unwind.
I cannot count the distance
Between your world and mine.

Let's sit and talk for a while...
I need to share what I feel inside.

I don't know what to say when.
You do the things you do.
You play a deadly game and,
I don't want to play with you...
I don't know what to say when.
You do the things you do
On a one way dead end road
And I ain't going there with you!

Goodbye dear friend

I don't know what to say when.
You do the things you do.
You play a deadly game and,
I don't want to play with you...
I don't know what to say when.
You do the things you do

On a one way dead end road
And I ain't going there with you!
