What is happening?
The world is changing way to fast.
Time is wasting
Present changing into past
I can't help the way I feel.
These wounds of mine they just don't heal
I want to stop the hands of time.
For now...

And I... am going, out, of my mind...
And I... Don't understand why seconds they turn into
minutes
And minutes keep running out

I am changing.
But my thoughts remain the same.
Heartbeat is racing.
And it's driving me insane.
I can't help the way I feel.
These wounds of mine they just don't heal
I want to stop the hands of time.
For now...

And I... am going, out, of my mind...
And I... Don't understand why seconds they turn into
minutes
And minutes keep running out

I will remember all... of the times, forever cherish them.
Until I die...

And I... am going, out, of my mind...
And I... Don't understand why seconds they turn into
minutes
And minutes keep running...

And I... am going, out, of my mind...
And I... Don't understand why seconds they turn into
minutes
And minutes keep running out
