Don't be so hard on yourself.
The name of the game is humiliation,
And thanks for the admiration.
I never thought I'd say this:
The way that we play has such confrontation,
And guilt by association.

"Hold me, hold me... "
"If I were to... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."
"Hold me, hold me... "
"If I were to... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."

Don't think too hard about it.
You never thought I'd get this far,
Get this far without you.
Relax, step back and watch it happen.
I'll wave my goodbyes into the night and say,

"Hold me, hold me... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."
"Hold me, hold me... "
"If I were to... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."

Say you'll never, ever. Say you'll never, ever.
Say you'll never let me go.
Say you'll never, ever. Say you'll never, ever.
Say you'll never tell a soul.
Say you'll never, ever. Say you'll never, ever.
Say you'll never let me go.
Say you'll never, ever. Say you'll never, ever.
Say you'll never tell a soul.

"Hold me, hold me... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."
"Hold me, hold me... "
"If I were to... "
"I cant, cant, I swear I can't let you."
"It's all in your hands
But I'll do what I can so you can do what you have to."
