Can someone please just shake the lies out of me?  
It seems that every word I say don't mean a thing  
I've tried so hard to reel you closer to freedom  
With every cast I just exhaust all my options

Tonight, tonight  
We're gonna make all the headlines  
It's so damn hard  
To push my pride to the side

Take back everything I said  
Know that I'm never comin' home again  
I know that it's for the best, oh

Come back when I know I've been  
Washed clean of my emptiness  
With these words, I'm leaving less, oh

I feel I'm constantly restricted by shackles  
This so-called ball and chain is all I've ever known  
I've climbed some mountains I thought I'd never tackle  
They gave me sense of hope and more so sense of  
home

Tonight, tonight  
We're gonna make all the headlines  
I've tried for nights to write a new beginning  
And failed every time

Take back everything I said  
Know that I'm never comin' home again  
I know that it's for the best, oh

Come back when I know I've been  
Washed clean of my emptiness  
With these words, I'm leaving less, oh

Oh girl, you know  
Everywhere I wanna go  
I won't stop, I can't stop  
Till I get just what I want

Oh girl, you know  
Everywhere I wanna go  
I won't stop, I can't stop  
Till I get just what I want

Tonight, tonight  
We're gonna make all the headlines  
Oh, it's so damn hard

Take back everything I said  
Know that I'm never comin' home again  
I know that it's for the best, oh

Come back when I know I've been  
Washed clean of my emptiness  
With these words, I'm leaving less, oh
