my lips were writing checks my heart couldn't cash
cause it was empty with nothing but your memories
your perfect smile and innocent eyes
I'm sorry that you feel this way
I'm sorry for taking up space
I'm sorry that you'll never love again
sorry for being sorry all the time
don't want the agony back

I never lied when I said
that I loved you
and that I still do
put the 12th stitch inside of my chest
and just say goodnight
just say goodbye

even a spider would get caught up in this web
of all the lies that you spun on me everyday
you'll never see the pain that you've caused
I'm sorry that you feel this way
I'm sorry for taking up space
I'm sorry that you'll never love again

sorry for being sorry all the time

if I could I'd break into your house
and steal all of your clocks
just to take back all the time you stole from me

I'd do I'd do anything
I'd do I'd do anything for you
(scan the skyline and horizon this our final showdown
this is our permanent request)

I'm looking for love in all the wrong places
falling for the wrong faces

I'd do I'd do anything
I'd do I'd do anything for you
(final search focus the spotlight this is our fashion hour
this is a lost cause)

I'm looking for love in all the wrong places
falling for the wrong faces
