Am I the one you see in your so-called nightmares?  
Wake up and dance, dance to the beat of the drama  
Since beggars can't be choosers, I'll play the victim  
while you play the fool  
This one goes out on, this one goes out on popular  
demand

So hit me back, here's another track you can count on  
losing  
So take that, here's our plan of attack so count on  
bruising

We are the ones you've named the, the unaccepted?  
Wake up and dance, dance to the beat of the drama  
Since liars can be bruisers, you'll play the victim while  
we play the fool  
Tonight, this one's going out on yourself because of  
popular demand

So hit me back, here's another track you can count on  
losing  
So take that, here's our plan of attack so count on  
bruising

So hit me back, here's another track you can count on  
losing  
So take that, here's our plan of attack so count on  
bruising

So hit me back, here's another track you can count on  
losing  
So take that, here's our plan of attack so count on  
bruising

So hit me back, here's another track you can count on  
losing  
So take that, here's our plan of attack so count on  
bruising

So hit me back, here's another track you can count on

bruising
