She said,
"I'm jealous of Los Angeles, she gets to keep you for a
month or two
And I don't know if I can handle this the thought of
being without you."

I know it's cold, but baby maybe we can stay a little
longer
Then warm up those toes, the last thing we need is to
blow our cover
And I know it's tough to reconsider what you thought
was love
But I'm so proud of all the plans you're speaking of

Lay with me stay with me now, oh
'Cause you are all I think about

She said, "I'm jealous of Los Angeles, she gets to keep
you for a month or two
And I don't know if I can handle this the thought of
being without you."
She said, "I'm sorry for the way I've been, it's so much
harder, but I guess we'll see
If I can prove myself wrong, show you I can be stronger
than we thought that I would be."

I said, "Let's go and baby, maybe I can show you what
you need to know
And how to cope the citizens can listen in but they will
never know
About this love and just how stronger we can be
So what if they don't like the plans that we've been
speaking of?"

I'll crave your kiss while you're gone, oh
So much I'm missing that alone

She said, "I'm jealous of Los Angeles she gets to keep
you for a month or two
And I don't know if I can handle this the thought of
being without you."
She said, "I'm sorry for the way I've been it's so much

harder, but I guess we'll see
If I can prove myself wrong, show you I can be stronger
than we thought that I would be."

And I can commit to change
(I said I'm sorry for the way I've been)
If you can promise to stay the same
(It's so much harder than I thought it'd be)
And never let this fade
(I said I'm sorry for the way I've been)
Baby, just promise to stay the same
(It's so much harder than I thought it'd be)

She said, "I'm jealous of Los Angeles she gets to keep
you for a month or two
And now I know that I can handle this the thought of
being without you."
She said, "I'm sorry for the way I've been it's so much
harder, but I guess we'll see
If I can prove myself wrong, show you I can be stronger
than we thought that I would be."
