You're the only one...
Mmmmmm yeaahhhh~~

All I need
Is you here with me
Someone to depend on
When the rain falls down
All I know
Is the way I feel
Whenever you're around me
All the darkness turns to day

Oooohhhhhh~
What you do to me...

You're the one and only
Treasure in my life
A feeling I can't hide from you
That you're the only one
You're the one and only
Pleasure in my life
A feeling that goes on and on
And you're the only one

All my thoughts
They just run away
Move a little closer
Now we breathe as one
Take my hand
Let's fly away
To another place in time
Let the world just fade away

Oooohhhhhh~
What you do to me...

You're the one and only

Treasure in my life
A feeling I can't hide from you
That you're the only one
You're the one and only

Pleasure in my life
A feeling that goes on and on
And you're the only one

Oooohhhhhh~
What you do to me...
You make me feel so alive..
I feel it deep inside..

What you do to me.. Oohh~

You're the one and only
Treasure in my life
A feeling I can't hide from you
That you're the only one
You're the one and only
Pleasure in my life
A feeling that goes on and on..

You're the one and only
Treasure in my life
A feeling I can't hide from you
That you're the only one
You're the one and only
Pleasure in my life
A feeling that goes on and on
And you're the only one

You're the only one...
