My arms are empty
Willing to wait for you
My heart is ready to
Give you love I'm thinking of
You've got love like no other man
If anymore can love, baby I can

I'll give my body
I'll give my soul
I'll give you pleasure
Like you're never known
Summer or autumn, winter or spring
I'll be all that you want and
Give you everything

My soul is aching
For you to see I want you near
I'm yours for the taking
So baby come to me
I'll give you what you need
I wanna show you all that I can give
Cause baby I am sure you never felt a love like this

Chorus

(Ooh baby) Ooh, baby, oh
(Ooh baby) Give you what you need, oh
(Ooh baby) Ooh, baby, oh, baby
(Ooh baby, baby)

You've got love like no other man
If anyone can love me baby you can

Chorus

My arms are empty
Waiting for you and I love you
Do what you want me to do baby
I'll give you everything
Maysa loves you
(Summer or autumn)

Whatever you want I will do for you
(Winter or spring)
Long as you keep on loving me
I'll be all that you want
I will love you, too
I'll give you everything
