I don't wanna be weak  
I just wanna be strong  
Don't wanna make you uncomfortable  
Every time I'm wrong

I don't wanna be rough  
Just wanna be sweet to you, baby  
I wanna be your everything  
Boy, you mean every little thing to me

Friendly pressure  
From midnight into the sunshine

Don't wanna get wet until the rain begins  
'Til the rain begins  
Don't wanna get wet 'til the rain begins

I don't wanna be weak  
Yes, I'm gonna be strong  
Don't wanna make you uncomfortable  
When every time you're wrong

I'm not gonna get rough  
If you just let me be sweet to you, baby  
I wanna give you everything  
Oh, and try to be anything you want me to be

Friendly pressure  
From midnight into the sunshine  
Friendly pressure  
From midnight, oh, the sunshine

I don't wanna be lonely  
I don't wanna be weak  
I just wanna be strong  
Don't wanna make you uncomfortable

Don't wanna get wet until the rain begins  
'Til the rain begins  
Don't wanna get wet 'til the rain begins

Don't wanna get wet until the rain begins

'Til the rain begins  
Don't wanna get wet 'til the rain begins

Friendly pressure  
From midnight into the sunshine  
The sunshine
