

Maysa "Head To The Sky"

Keep your head to the sky
Keep your head to the sky

Master told me one day
I'd find peace in every way
But in search for the clue
Wrong things, I was bound to do

Keep my head to the sky
For the cloud to tell me why
As I grew, oh, in strength
Master kept me as I repent

And He said
?Keep your head to the sky?
He said
?Keep your head to the sky?

He gave me the will to be free
Purpose to live His reality
And I found myself never alone
Changes came to make me strong

He said "Maysa, be all you can
'Cause you need faith in your life to understand"
So we're saying for you to hear
Keep your head and face that what's fear

Keep your head to the sky
Keep your head to the sky

Keep your head to the sky
And the clouds will tell you why
The clouds will tell you why
I said, keep your head to the sky
And the clouds will tell you why every time
Told you why now

Keep your head to the sky
And the clouds will tell you why
The clouds will tell you why
I said, keep your head to the sky

And the clouds will tell you why every time
You're free and beautiful to me

Keep your head to the sky
Keep your head to the sky
Keep your head to the sky
Keep your head to the sky

Father, please bless me today
And expand my territory
With Your hand to guide me
Keep me from evil
And causing anyone any pain, amen
