It's 2am  
I can't sleep  
My bodies made a promise that I just can't keep  
Thinking about you baby I'm on fire  
And I can't fight this feeling of desire

I call your number  
Whisper the words "I'm coming over"  
Is all I heard

Sexy  
Take me  
Sexy  
Softly, rub me down

Shadows dance by candlelight  
And those sweet love sounds echo through the night  
Lying here with you baby feels so good  
Just like I knew it would

I call your name out  
Softly in bed  
I'm coming baby  
Is all you said

Chorus

The morning comes much too soon  
My scent on your body  
Then only clue has last night's passion slowly fade  
I hope the memory never goes away
