Willow weep for me  
Willow weep for me  
Bend your branches down along the stream  
that runs to the sea  
Listen to my plea  
Listen willow and weep for me

Gone are lovers dreams  
Lovely summer dreams  
Gone and left me here  
To weep my tears into the stream  
Sad as I can be  
Hear me willow and weep for me

Oh whisper to the wind  
And say they love has sinned  
To leave my heart a breaking  
And a making a moan  
Murmur to the night  
and hide her starry light  
So none will find me sighing  
And a crying all alone

Weeping willow tree  
Weeping sympathy  
Bend your branches down along the ground  
And cover me  
Will the shadows fall?  
Bend the willow and weep for me

Whisper to the wind  
And say they love has sinned  
To leave my heart a breaking  
And a making a moan  
Murmur into the night  
To hide her starry light  
So none will find me sighing  
And a crying all alone

Weeping willow tree  
Weeping sympathy  
Bend your branches down along the ground

And cover me  
Will the shadows fall?  
Bend the willow and weep for me

Willow weep for me  
Willow weep for me  
Willow weep for me  
Willow weep for me  
Willow weep for me  
Willow weep for me
