Hey... I'm not making this... Up...
I can't move when the weather's this close
And I'm paranoid, that the storms coming
Should i stay here, or should i start running
They don't need a reason, just don't catch their eyes!
Just don't catch their eyes!

You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us
You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us

Hey, don't even think about giving it up
(It's coming, it's coming)
Sometimes, you just want to win
(It's coming, it's coming)
You don't want to leave it alone
You're tired, and sneaking home
You just want to know
Could you hold out, could you hold out!

You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us
You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us

This is an army
This is an army
This is an army
It's coming, it's coming!

You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us
You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us - all of us!

You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us
You cannot, you cannot be saved
You cannot, you cannot be saved
From all of us - all of us!

This is an army
This is an army
This is an army
It's coming, it's coming!
