7 seconds of delay  
what's in the gap between my ears and what you say  
nothing on display  
no evidence of life behind the noise

I'm on your side  
I'm on your side ohhhhh  
But we don't see eye to eye  
I'm on your side  
I'm on your side ohhhhh  
But we don't see eye to eye

Sit back and wait  
Let someone else make the mistakes  
No time to waste  
No time to waste  
We're pushing on we've got somewhere to go

I'm on your side  
I'm on your side ohhhhh  
But we don't see eye to eye  
I'm on your side  
I'm on your side ohhhhh  
But we don't see eye to eye

Your in the driving seat  
Don't know where your going  
This is getting out of control  
This is getting out of control!  
Your in the driving seat  
Don't know where your going  
This is getting out of control  
This is getting out of control!

Always will feel, how I feel  
And I Always will

I'm on your side, I'm on your side ohhhhh  
I'm on your side (I'm on your side)  
I'm on your side, I'm on your side ohhhhh  
But we don't see eye to eye

I'm on your side, I'm on your side ohhhhh  
I'm on your side (I'm on your side)  
I'm on your side, I'm on your side ohhhhh  
But we don't see eye to eye

Your in the driving seat (I'm on your side)  
Don't know where your going (on your side)  
This is getting out of control (on your side)  
This is getting out of control! (ohhhhh)  
Your in the driving seat (I'm on your side)  
Don't know where your going (on your side)  
This is getting out of control (on your side)  
This is getting out of control! (ohhhhh)

Always will feel, how I feel  
Always will feel  
your way around  
your way around  
your way around
