What can I say  
I've got no room to complain  
Every mistake I made was out ok  
But you're asking me questions, making suggestions  
Telling me how to do what I do best  
Considering we don't play requests it's nice to see  
you're taking some interest

Things are praying on my mind  
I can't wait to leave behind  
This small place

Walking crisis make sure everyone knows your pain  
Keep a surprise not your private lives to make sure  
we're all entertained  
And it's a shame that shit goes wrong but it happens to  
the rest of us  
Considering we don't play requests it's nice to see  
you're taking some interest

Things are praying on my mind  
I'll be here till closing time  
I can't wait to leave behind  
This small place

Drama  
(Go Team, Go Team, Go Team, Go)  
Drama  
(Go Team, Go Team, Go Team, Go)

Drama  
(Go Team, Go Team, Go Team, Go)  
Drama  
(Go Team, Go Team, Go Team, Go!)

Things are praying on my mind (things are praying on  
my mind)  
I'll be here till closing time (I'll be here till closing time)  
I can't wait to leave behind (I just can't wait to leave  
behind)  
This small place, this small place
