If I could I'd buy you a pair of ruby shoes so you could  
click your heels  
Click your heels just three times and be in a place  
where  
You could be you and I could be me  
And we could just be  
Where you could be you and I could be me  
And we could just be happy.  
If I could I'd pull back the curtain that you hid behind  
And click our heels click our heels just three times and  
be in a place  
Where you could be you and I could be me  
And we could just be where you could be you and I  
could be me  
And we could just be just as we were intended to be.  
Just as we were intended to be.  
Remember.  
I need you to remember.  
Why can't you remember?  
I need you to remember.  
Why can't you remember?  
I need you to remember.  
Why can't you remember?  
I need you to remember.  
I need you to remember.  
Why can't you remember?  
I need you to remember.  
Why can't you remember?  
I need you to remember.  
Why can't you remember?
