Chorus #1

Oh my love, I wanna give you something more, like
Living in the skyline, up in the high life
Cuz I wanna give it to you everyday (I'm like)
Oh my love, all I wanna do is get away with you girl
You got me burning bright, cuz you shine tonight
Oh I got you where I want you now

Verse #2

There she there she, uh, there she go
I swear her body makes me wanna hit the floor
But the floor has to be granite, I swear we can just plan
it
Because I won't take you for granted, out of this world
(planet)
I gotta give my girl, what she needs
Finally famous getting money is what I feed from
Good music so it's be a dream come true
I just wanna make a milli a milli for you

Chorus #2

Oh my love, I wanna give you something more, like
Living in the skyline, up in the high life
Cuz I wanna give it to you everyday (I'm like)
Oh my love, all I wanna do is get away with you girl
You got me burning bright, cuz you shine tonight
Oh I got you where I want you now

Verse #2

I'll let you let you, uh, I'll let you know
How we gonna make it, to the gold
We driving in the fast lane, pedal to the floor
These other people standing still but we gonna keep on
going

Prechorus

I see the city lights, from my home in the sky
From up here you can get get what ever you like
Oh now you're burning up, a thousand stories down
Down, down into the clouds, down down into the clouds

Chorus #3

Oh my love, I wanna give you something more, like
Living in the skyline, up in the high life
Cuz I wanna give it to you everyday (I'm like)
Oh my love, all I wanna do is get away with you girl
You got me burning bright, cuz you shine tonight
Oh I got you where I want you now

Bridge

Let's just enjoy this ride with you hangin by my side
I swear we will just glide, no boundaries not even the
sky
Cause we The Av8rs fly
Cause you got me feeling like I never did before
Cause we got it made, no MTV days
And we go keep git git getting in all the way
We getting in all the way

Chorus #4

Oh my love, I wanna give you something more, like
Living in the skyline, up in the high life
Cuz I wanna give it to you everyday (I'm like)
Oh my love, all I wanna do is get away with you girl
You got me burning bright, cuz you shine tonight
Oh I got you where I want you now (x2)
