There's a darkness upon me that's flooded in light  
In the fine print they tell me what's wrong and what's  
right  
And it comes in black and it comes in white  
And I'm frightened by those that don't see it

When nothing is owed or deserved or expected  
And your life doesn't change by the man that's elected  
If you're loved by someone, you're never rejected  
Decide what to be and go be it

There was a dream and one day I could see it  
Like a bird in a cage I broke in and demanded that  
somebody free it  
And there was a kid with a head full of doubt  
So I'll scream til I die and the last of those bad thoughts  
are finally out

There's a darkness upon you that's flooded in light  
And in the fine print they tell you what's wrong and  
what's right  
And it flies by day and it flies by night  
And I'm frightened by those that don't see it

There was a dream and one day I could see it  
Like a bird in a cage I broke in and demanded that  
somebody free it  
And there was a kid with a head full of doubt  
So I'll scream til I die and the last of those bad thoughts  
are finally out

There was a dream and one day I could see it  
Like a bird in a cage I broke in and demanded that  
somebody free it  
And there was a kid with a head full of doubt  
So I'll scream til I die and the last of those bad thoughts  
are finally out

There's a darkness upon me that's flooded in light  
In the fine print they tell me what's wrong and what's  
right  
There's a darkness upon me that's flooded in light

And I'm frightened by those that don't see it
