If you take my heart
Don't leave the smallest part
I've no need to live if you're to come up gone
An as my life turns to a song
And if and when I treat you wrong
No I never want to hurt our family

And I would give up everything
No this is not just about me
And I don't know a plainer way to say it Babe
And they may pay us off in fame
Though that is not why we came
And I know well and good that won't heal our hearts

We came for salvation
We came for family
We came for all that's good that's how we'll walk away
We came to break the bad
We came to cheer the sad
We came to leave behind the world a better way

Now if I'm walkin' through the rain
And I hear you call my name
I will break into a run without a pause
And if your love laughs at your dreams
Well it's not as bad as it seems
Either way one of them has got to go
And if you take of my soul
You can still leave it whole
With the pieces of you own you leave behind

We came for salvation
We came for family
We came for all that's good that's how we'll walk away
We came to break the bad
We came to cheer the sad
We came to leave behind the world a better way

And I would give up everything
And if you were to come up clean
And see you shine so bright in a world of woe
And they may pay us off in fame

But that is not why we came
And if it compromises truth then we will go

We came for salvation
We came for family
We came for all that's good that's how we'll walk away
We came to break the bad
We came to cheer the sad
We came to leave behind the world a better way
