"Shame"

Okay so I was wrong about
My reasons for us fallin' out
Of love I want to fall back in

My life is different now I swear
I know now what it means to care
About somebody other than myself

I know the things I said to you
They were untender and untrue
I'd like to see those things undo

So if you could find it in your heart
To give a man a second start
I promise things won't end the same

Shame, boatloads of shame
Day after day, more of the same
Blame, please lift it off
Please take it off, please make it stop

Okay so I have read the mail
The stories people often tell
About us that we never knew

But their existence will float away
And just like every word they say
And we will hold hands as they fade

Shame, boatloads of shame
Day after day, more of the same
Blame, please lift it off
Please take it off, please make it stop

I felt so sure of everything
My love to you so well received
And I just strutted around your town
Knowing I didn't let you down
The truth be known, the truth be told
My heart was always fairly cold

Posing to be as warm as yours
My way of getting in your world
But now I'm out and I've had time
To look around and think
And sink into another world
That's filled with guilt and overwhelming

Shame, boatloads of shame
Day after day, more of the same
Blame, please lift it off
Please take it off, please make it stop

And everyone they have a heart
And when they break and fall apart
And need somebody's helping hand

I used to say just let 'em fall
It wouldn't bother me at all
I couldn't help them now I can
