Cats meow
Give it to me now
Brats are kick'n
show me what your fix'n
What time
Givin me a sign
Snap them tickle (?)
Painted by the nickel (?)

Left hand
Sinkin in the sand
She's real uptight
Catch you on the flip side
No deal
Is that the way you feel
I'm floating
Lovers should be boating (?)

Cut down
Painting the town
Shake and shimmy
Jam along with jimmy
Crime pays
In so many ways
Laughing, crying
Tell me why your smiling

Oh oh oh
(Give it to me now)
Tell me why your smiling
Oh oh oh
Tell me why your smiling
Oh oh oh
(Give it to me now)
Tell me why your smiling
Oh oh oh

Pipe down
Don't make a sound
Light as a feather
In stormy weather

Chit chat
Can't imagine that
Pitter patter
Tell me what's the matter
Suck in
Take it on the chin
Make me an offer
Cus I really want to

Oh oh oh
(Give it to me now)
Cus I really want to
Oh oh oh
Cus I really want to
Oh oh oh
(Give it to me now)
Cus I really want to
Oh oh oh

Hard thoughts
Cold graves
My sanctuary
Ripped out
A page
From the dictionary
So kissed
I'm reading your lips
By candle light

Cats meow
Give it to me now
Brats are kick'n
Show me what your fix'n
Okay, nows the time to play
Do I have to conquer
And I really want to

Oh oh oh
(Give it to me now)
And I really want to
Oh oh oh
And I really want to
Oh oh oh
(Give it to me now)
And I really want to
And I really want to
Oh oh oh
(Give it to me now)
And I really want to
Oh oh oh
And I really want to

Oh oh oh
(Give it to me now)
And I really want to
And I want to (oh oh oh)
And I want to (give it to me now)
And I want to
And I want to
Oh oh oh
Give it to me now (oh oh oh)
(Give it to me now)
And I really want to
Yes yes I really want to
Yes yes
