Does it have to be this way? I don't feel free!
How many times I have to pray? I know you cannot stay

In this world there is no place, for you and me,
Have you learnt from our mistakes, tell me are you
feeling free?

I'm not the one who's left to choose, cause it's just
you it's just you it's just you
And I can't stand it the shadows of you, the shadows
of you, all because of you...

This is my time, I gave you all I had to give
You make it bleed you make it bleed I don't want you
back

This is my time, I gave you all I had to give
I'm gone for good, I'm gone for good

Too many times I was waiting for,
Your fuckin' call but I've been just ignored

With my dignity and pride on the floor
There's no point in trying anymore

I'm not the one who's left to choose, cause it's just
you it's just you it's just you
And I can't stand it the shadows of you, the shadows
of you, all because of you...

This is my time, I gave you all I had to give
You make it bleed you make it bleed I don't want you
back

This is my time, I gave you all I had to give
I'm gone for good, I'm gone for good
