Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charms.
Colour my rainbow, please do,
And I'll follow you.

Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charms.
Colour my rainbow, please do,
And I'll follow you.

Why do I get lonesome when you're far away
For just one day?
Why, please tell me why, I got to know,
I won't let go.

Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charms.
Colour my rainbow, please do,
And I'll follow you.

Some are about to run away when times get rough
I need your love.
Stay, please stay with me until the end
My friend.

Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charms.
Colour my rainbow, please do,

And I'll follow you.

(Ooh, look at the rainbow)

(Ooh, look at the rainbow)

Colour my rainbow in blue

Take me to much better places

Baby come over and take me in your arms

Let me be there and aware of your charms.

Colour my rainbow, please do,

And I'll follow you.

Colour my rainbow in blue

And I'll follow you.

Colour my rainbow in blue

And I'll follow you.

Colour my rainbow in blue...
