One, two, one, two, three, four

Well, I've been out of the woods  
For six days and nights now  
And I'm a little hot wired  
But I'm feeling all right now

I got some money in my pocket  
And I won't need a ride, yeah  
Got a big Jag car and  
A baby by my side, yeah

Well, I'm a little hot wired  
But I'm feeling okay  
And I got a little lost  
Down along the way

Well, I'm just around the corner  
'Til the light of day, yeah  
I'm just around the corner  
'Til the light of day, yeah

Driving 500 miles  
Got 500 to go, yeah  
I've got a rock and roll  
Music on my radio

I've got a brother on the rig  
Just off the Gulf Coast  
He says the girls down there  
Are really the most, yeah

Well, I'm a little tired out  
But I'm feeling okay  
And I got a little  
Lost along the way

But I'm just around the corner  
'Til the light of day, yeah  
I'm just around the corner  
'Til the light of day, yeah

Well, I got thrown out  
Of work on the Kokomo  
Well, don't ask me what I'm doing  
Cause I don't know, yeah

Only hear you wasn't joking  
When you wrote me that letter  
Things can't get worse  
So they gotta get better

Well, I'm a little hot wired  
But I'm feeling okay  
And I got a little lost  
Along the way

And I'm just around the corner  
'Til the light of day, yeah  
I'm just around the corner  
'Til the light of day, yeah  
I'm just around the corner  
'Til the light of day, yeah  
I'm just around the corner  
'Til the light of day, yeah

Oh, yeah, oh, yeah  
Oh, yeah, oh, yeah
