Big Mama's Door

Goin' down in Chickasaw, gon' take that right hand
road
Goin' down in Chickasaw, gon' take that right hand
road
Bet I ain't gon' stop till I come up in big mama's door
Folks down in Chickasaw they all know my name
Folks down in Chickasaw they all know my name
And when I'm down there, man, sure be glad I came
Girl that I'm lovin' got the great long curly hair
Girl that I'm lovin' got the great long curly hair
But her mama and papa, man, they sure don't 'low me
there
What you gonna do when you find your
Biscuit roller
Gone?
What you gonna do when you find your biscuit roller
gone? (Man, what about it?)
Get in that kitchen, man, and roll 'em till she come
home
Get up in the mood, man, we sure had lots of fun
Get up in the mood, man, we sure had lots of fun
When I come round that corner, gonna see my pony
run
Goin' down in Chickasaw, gon' take that right hand
road
Goin' down in Chickasaw, gon' take that right hand
road. (Goin' back to the wood!)
Bet I ain't gon' stop till I come up in big mama's door
