Life goes on day after day  
Hearts torn in every way

So ferry 'cross the mersey  
'Cause this land's the place I love  
And here I'll stay

People they rush everyday  
Each with their own secret care

So ferry 'cross the mersey  
And always take me there  
The place I love

People around every corner  
They seem to smile and say  
We don't care what you name is boy  
We'll never turn you away

So I'll continue to say  
Here I always will stay

So ferry 'cross the mersey  
'Cause this land's the place I love  
And here I'll stay
